A Message from the President

Tuesday, June 9
BBQ Rib Event

Golf is like a love affair. If you don't take it seriously, it's no fun; if you do take it seriously, it breaks your heart.

~Arthur Daley

Friday, June 12
Junior Golf
Begins

It's hard to believe that the pool will be opening soon and President's Cup matches will be starting (I hope you are signed up, I'm hoping to make it past the first round this year). The course is in great shape and the pool got a facelift. Please make sure you come enjoy both as soon as you can. Chad and Sara will be continuing drink service at the pool on busy days for your enjoyment. Chad and Sara are putting together new lunch specials each week so make sure you check out the new menu.

Thursday, June 18
Men's Stag

Friday, June 19
Twilight Golf
Couples

By now you should have had a number of rounds in and working your handicap in the right direction (I hope). If not, please schedule some time with Brad or Greg to get the kinks worked out of the ever fleeting golf swing. Also, take advantage of the range as it is part of your pro shop cost.

Sunday, June 21
Father's Day Brunch

Please make sure to follow the posted signs on the course and stay away from the greens in carts. There will be a number of the cart paths being fixed before long, please make sure to use them. There has been a lot of tiling work on the course as well, please stay out of these areas and be patient while Josh gets these areas back in shape.

Wednesday, June 24
Sturgis Falls
Ladies' 4-person
Tournament

Last but not least, please make sure to introduce yourself to those you have not met yet. We have the best golf course in the Cedar Valley and want to make it a great experience for all.

Don't play too much golf. Two rounds a day are plenty.

~Harry Vardon

FROM THE PRO:

Just another breezy day in the “wind belt”... wider stances, faster swings, exaggerated tendencies, and messy hair. We can only hope for calmer days in June for our Member-Guest, Twilight Couples, Sturgis Ladies, And Men’s Stag Events. Our Junior Golf Program will also kick-off in June, so please read the summary below for more details (a mailer will be arriving at your home soon). It is time to begin browsing the Pro Shop for some Father’s Day ideas, it is just around the corner and I am confident we have something special for all of the wonderful fathers at Beaver Hills.

Many of you have shown interest in the skycaddies now available for a one-time demo and for sale in the Pro Shop. They are extremely convenient and reasonably priced considering you have access to more than 15,000 golf courses worldwide! Exact yardage can be a wonderful thing for any golfer. Both the new Nike and new Callaway drivers are also now available and we are stocking both of these company’s top selling golf balls (in addition to Titleist). Pro Shop credit has already begun to accumulate for some of you. Do not wait until the end of the year to spend it; saving it up to buy stuff in October just doesn’t make any sense.

As the kids get out of school and there is more time for family golf, please continue to reserve tee-times ahead so that we can accommodate everyone. Please let my staff know what your intentions might be for the day, including things like the number of holes you will play, who is riding in carts, and if there are any guests going along. Help us keep better records so we can provide better service to everyone during this very busy month.

In closing, I would like to share a quick story with you. We recently toured the entire golf course with a gentleman who builds and re-designs golf courses all over the country. He was here to assess our bunker situation and to offer suggestions on ways to bring the course up-to-date. He was full of enthusiasm and obviously smitten over the layout and natural beauty of the course. At one point, after learning about the cost of membership, he turned to us and asked “do you know what a gem you have here?” And although, deep down I knew exactly what he meant, it was almost sad to admit that I had to see it through an “outsiders” eyes to truly appreciate it once again. The next time you come out to play, just spend some time looking around (as if you are seeing it for the first time) and you too will think wow, what a gem! And more importantly, think how blessed we are to be able to enjoy it on a daily basis.

JUNIOR GOLF:

Junior Golf begins on Friday June 12th and runs for seven straight weeks and culminates with the Junior Club Tournament July 24th.

From the Clubhouse:

The Pool is Open and summer is finally here. Thankfully, we had wonderful weather on Memorial Day weekend and a warm pool to enjoy. Our Pool Manager this season is Ryan Paulson, and he will be enforcing some rules this season that have been neglected in the past. These are not just Beaver Hills CC rules – they are nationwide rules. Please be patient...they will only help ensure the safety of our members and guests. Also, we will be providing private lessons before 11:00 am everyday – please call to set-up a lesson with your favorite lifeguard.

Our BBQ Rib Event has been rescheduled for June 9th. Mark your calendars!
